

**Environmental Research and Services**, an equal opportunity employer, seeks qualified applicants for the following job based out of our **Fairbanks and Anchorage, Alaska**, offices.

**Position title:** Vegetation/Wetlands Technician (Seasonal)

**Position ID:** # Veg-10

**Description:** ABR is seeking multiple Vegetation Technicians to support field studies at various project locations in Alaska.

**Knowledge/Skills:** Emphasis is on field experience, with a strong background in Alaska flora. Candidate should have a working knowledge of Alaskan plant taxonomy. Skills in vegetation sampling, and experience with aerial photointerpretation, digital vegetation mapping is a plus. Familiarity with hydric soil characteristics will be weighed heavily. Must be in excellent physical condition and able to work 10–12-hr days, often hiking in difficult conditions and carry 30 pounds. Candidate should be mature, self-motivated, have a strong work ethic, meticulous in collecting and recording data, able to live and work cooperatively with others, and able to maintain a positive attitude under a heavy workload.

**Start Date:** Work begins in mid-July to September with a possibility of extending into the fall. Appointments will range from 3 weeks to 3 months. Field stints may exceed two weeks at a time.

**Salary:** Depending on experience, salary ranges from \$13.35/hour to \$19.00/hour plus overtime. Room and board provided only while in the field.

**Closing date:** April 1, 2010

**Contact:** Please send resume and 3 professional references electronically to Paulette Burke ([hr@abrinc.com](mailto:hr@abrinc.com)) or by mail to the Fairbanks office, **ABR, Inc., P.O. Box 80410, Fairbanks, Alaska 99708**. Be sure to include the position ID number on your application. Feel free to contact Paulette at the above e-mail address with any questions.
