

Environmental Research and Services, an equal opportunity employer, seeks qualified applicants for the following job based out of our **Fairbanks, Alaska**, office.

Position title: Wildlife Technician (Seasonal)

Position ID: # Fair-10

Description: ABR is seeking multiple wildlife technicians to support field studies at various project locations in Alaska.

Knowledge/Skills: Emphasis is on field experience, and candidate must have good identification skills for birds (waterfowl, shorebirds, passerines) or mammals. Experience with aerial surveys for birds and/or mammals is a plus. Must be in excellent physical condition and able to work 10–12-hr days, often hiking in hip waders in difficult conditions and carry 30 pounds. Candidate should be self-motivated, mature, have a strong work ethic, meticulous in collecting and recording data, able to live and work cooperatively with others, and able to maintain a positive attitude under a heavy workload.

Start Date: Work begins in mid-May to June, and appointments will range from 3 weeks to 3 months. Field stints may exceed two weeks at a time.

Salary: Depending on experience, salary ranges from \$13.35/hour to \$19.00/hour plus overtime. Room and board provided only while in the field.

Closing date: April 1, 2010

Contact: Please send resume and 3 professional references electronically to Paulette Burke (HR@abrinc.com) or by mail to the Fairbanks office, **ABR, Inc., P.O. Box 80410, Fairbanks, Alaska 99708**. Be sure to include the position ID number on your application. Feel free to contact Paulette at the above e-mail address with any questions.
