

## LOCAL AND REGIONAL ORGANIZATIONS

The following sections from Appendix A provided the information most pertinent to your review of the proposed project; please refer to Appendix A for all the preliminary research findings.

### *State and Local Land Use Plans*

The Prospect Creek airport is not within a region of the state for which the Alaska Department of Natural Resources (ADNR) has prepared a regional land use plan. However, the airport is within the area covered by the Dalton Highway Master Plan [http://www.dnr.state.ak.us/mlw/planning/mgtplans/dalton\\_highway/index.htm](http://www.dnr.state.ak.us/mlw/planning/mgtplans/dalton_highway/index.htm). A local land use plan was not located for the Prospect Creek area.

### **Additional Information**

In addition to identifying any concerns and/or issues your agency might have with the proposed project, the following information is requested:

1. Please identify any local improvement projects under construction or proposed in the vicinity of the proposed project within the foreseeable future.
2. Identify any potential conflicts the proposed project may have with goals or objectives of your organization.
