

## **STATE HISTORICAL PRESERVATION OFFICE (SHPO) AND LOCAL HISTORIC FOUNDATIONS**

The following sections from Appendix A provided the information most pertinent to your review of the proposed project; please refer to Appendix A for all the preliminary research findings.

### ***Historical, Archeological and Cultural Sites***

The Alaska Office of History and Archeology, State Historical Preservation Office (SHPO) maintains an inventory, the *Alaska Heritage Resources Survey* (AHRS), of all reported historic and prehistoric sites in the state. A review of the AHRS indicates that no sites in the Prospect Creek area are within 1 mile of the airport. Several sites (BET-00050, BET-00053, BET-00059, BET-00060, BET-00131) are located near the northern materials site, but none are likely to be affected by excavation of that site.

### **Additional Information**

In addition to identifying any concerns and/or issues your agency might have with the proposed project, the following information is requested:

1. The Alaska Heritage Resources Survey (AHRS) has been researched for the project area and any findings are identified above. If you know of any other confirmed or potential archaeological, historical, cultural, and/or religious sites that may be affected by the proposed project please provide that information.
